

Satellite and Radar Imagery Movies of Atlantic Hurricane Seasons on DVD

Prepared by:

Donovan Landreneau, Meteorologist

Web: <http://www.srh.noaa.gov/lch/tropical/dvd.php>

National Weather Service

500 Airport Blvd. #115

Lake Charles, LA 70607

337-477-5285

Use the form below to determine which DVD title(s) you would like copied. Each DVD title requires **ONE 4.7GB General Purpose DVD-R** to reproduce. Total up the number of **4.7 GB General Purpose DVD-Rs** you will need for your request, and send the package (along with a return address and phone number) to:

Send to:	Your return address and phone number:
Donovan Landreneau National Weather Service 500 Airport Blvd. #115 Lake Charles, LA 70607	

In turn, we will make the copies at the National Weather Service, and send the package back to you with the paper jewel case inserts. Send **Inkjet Printable 4.7GB General Purpose DVD-Rs** with your request if you want the title(s) printed on the disc(s).

I re-emphasize to send the **DVD-R (minus)**, as our burner was purchased in 2002 and only writes to DVD-R/RW. We cannot burn to the following discs: DVD-RAM, 4.7GB DVD+R, 4.7GB DVD+RW, 8.5GB DVD+R Dual Layer, or 8.5GB DVD-R Dual Layer. **Please limit you request to one copy per title, as these have to be copied one at a time.**

Title
